How Far I'll Go

Auli'i Cravalho · Guitar 1 · capo 4 · ♩=90 · 4/4

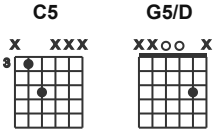

Verse 1

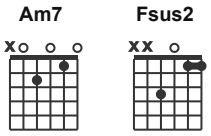

I've been staring at the edge of the water
1

'Long as I can remember, never really knowing why
2

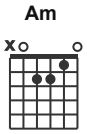

I wish I could be the perfect daughter
3

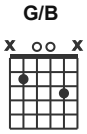

But I come back to the water, no matter how hard I try
4

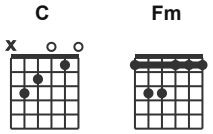

Pre-Chorus

Every turn I take, every trail I track
5

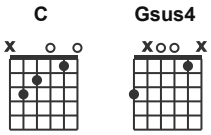

Every path I make, every road leads back
6

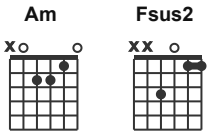

To the place I know, where I can not go, where I long to be
7

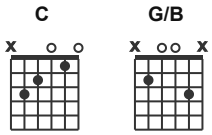

Chorus

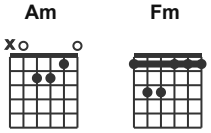

See the line where the sky meets the sea? It calls me
8

And no one knows, how far it goes
9

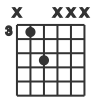

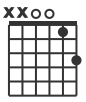

If the wind in my sail on the sea stays behind me
10

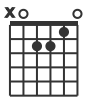

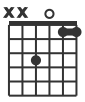

One day I'll know, if I go there's just no telling how far I'll go
11

Verse 2

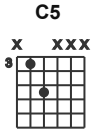

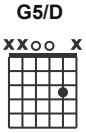

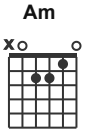

I know everybody on this island, seems so happy on this
12

island
13

Everything is by design
14

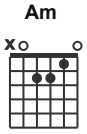

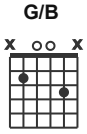

I know everybody on this island has a role on this
15

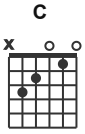

island
16

So maybe I can roll with mine
17

Pre-Chorus

I can lead with pride, I can make us strong
18

I'll be satisfied if I play along
19

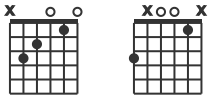

But the voice inside sings a different song
20

What is wrong with me?
21

See the light as it shines on the sea? It's blinding
